

Dear Outreach Families,

Thank you for your patience as we determined what services Ivymount Outreach Programs can provide during the school closure period of March 16-27, announced by the Maryland Department of Education. Here's what you need to know:

- Saturday Camp LOL and Educational Groups (including Unstuck and OnTarget!, Applied Unstuck, and Game Time) will be held this Saturday March 14 at the regularly scheduled times. As scheduled, this will be the last Saturday of the winter session of Camp LOL.
- Please email [outreach@ivymount.org](mailto:outreach@ivymount.org) today if your child will not be attending tomorrow so we can adjust our staffing in advance. We need your help to ensure our programs are sustainable during this COVID-19 response period and your communication can help us avoid paying staff who are not needed.
- Students should not come into the building if they are showing the following symptoms: fever, cough, shortness of breath, or nausea, or if they have been in close contact with anyone who has symptoms.
- There will be no Outreach Programs in the Ivymount School building Monday, March 16 to Sunday, March 29. This includes recreational and educational group programs, speech therapy/OT/tutoring, parent groups, and internships.
- The start of the Spring session of Camp LOL and Afterschool Clubs will be delayed. Educational and Parent Groups will take a two week pause. New session dates will be updated on our website [www.ivymountoutreach.org](http://www.ivymountoutreach.org) and emailed to families.
- Spring Camp LOL will start after spring break on Saturday, April 18. The session will be reduced from 10 weeks to 8 weeks and the cost will be adjusted accordingly.
- Spring Afterschool Clubs will start on Tuesday, March 31. The session will be extended later into June to make up for the missed weeks.
- Spring Educational Programs, including Unstuck and OnTarget, Applied Unstuck, and Game Time will resume on Saturday, April 18 and extend later into June by two weeks.
- Self Advocacy Group will resume on Tuesday, March 31 and extend later into May by two weeks
- A make-up date for the Parenting with Acceptance and Commitment Group will be announced.
- The Early Childhood Clinic (ECC) will be closed Monday, March 16 through Friday, March 27. Plans for makeup days will be forthcoming.
- Decisions regarding ABA home programs will be made on an individual basis. Families will be contacted by their BCBA consultant to discuss a plan.

Once again, we appreciate your support and flexibility as together we prioritize health and safety for all our families and staff. We will continue to provide updates as we have new information.

Thank you and be well.

Susan Holt,

Executive Director

Ivymount School & Programs
